FLOOR DEBATE

March 30, 2004 LB 1089

separate bill.

SENATOR CUDABACK: One minute.

SENATOR WEHRBEIN: Didn't slip it in, it was a separate bill, but that is there and I happen to think that that's valuable, but that's my bias. Health and Human Services, I'll spend just a little bit of time real quickly. The Health and Human Services part of this is a \$1.1 million. So this and the University of Nebraska really catch the bulk of the cuts here, and I'll spend some time on the University of Nebraska. But Health and Human Services is something I think everyone picks on because it is such a large budget, but I think you need to realize, once again, the newspaper article, I call to your attention the child protective services, the workers we're handing back in. There's a reason we have to add back in 120 workers in the Governor's initiative, is because we have cut that agency very severely. And so we have some deaths out there, children have fall...and it's continuing. Every night on the TV you see something going on that is in need of some help.

SENATOR CUDABACK: Time. Senator Brown, and this will be your third time, Senator.

SENATOR BROWN: Question.

SENATOR CUDABACK: Senator Brown calls the question. Do I see five hands? Do I see five hands? One, three, five. I do. The question has been called. All in favor of calling the...all in favor vote aye, opposed nay. Ceasing debate on AM3456. All in favor of ceasing debate vote aye, those opposed nay. The question before the body is ceasing debate on the Redfield amendment, AM3456. Have you all voted who care to?

SENATOR BROWN: Mr. President, may I have a call of the house, please?

SENATOR CUDABACK: There's been a request for a call of the house. All in favor of the house going under call vote aye, those opposed nay. Record please, Mr. Clerk.
